Hotels in Austria

The RIMC Hotels & Resorts Group currently has three hotels in Austria - further acquisitions are planned.

Hotel Spirodom Admont

The Hotel Spirodom with its 67 cozy rooms is nestled in the heart of the Gesäuse National Park region, where the wildly rugged high mountains with their bizarre ridges rise above the valley floor of the raging Enns. At the same time, it is only a stone's throw away from one of the great works of art of the European late Baroque, the Abbey Library of the Benedictine Abbey of Admont.

Planned projects

The hotel industry is a constantly growing sector in which new trends are constantly developing alongside traditional offerings. The dynamics and development potential of the market represent a daily challenge that requires vigilance, adaptability and future-oriented thinking. Each hotel requires an individual concept in order to be able to respond comprehensively to the various characteristics of the product and the market. With this in mind, the hotel operating company is constantly evolving.
